37	<b>TOTAL REQUIRED COURSE CREDITS</b>	25 credits
----	--------------------------------------	------------

68	<b>TOTAL COMMUNITY COLLEGE CREDITS</b>
----	--

Please note that this curriculum neither fulfills the gtPathways general education curriculum nor the associate degree requirements at the community college.

This agreement identifies community college courses that will apply to the baccalaureate degree.

**Transfer Recommendations:** To graduate in a 4 year overall time frame, it is important that students follow the recommended schedule above. Students who wish to continue their education at the community college beyond the number of credits specified should explore with both 2-yr and 4-yr advisors how their graduation timeline, COF stipend, and financial aid will be affected.

**If you plan to complete this bachelor’s degree, recognize that:**

1. You should transfer into the bachelor’s program after you take the courses outlined above. Transfer hours beyond the credits below are not guaranteed to apply toward the bachelor’s degree.
2. It is imperative that you contact an advisor at the 4-year institution by the end of the first semester at your community/junior to clarify course work appropriate for this major and to identify the community college courses and GPA necessary to meet admission requirements to both the 4-year institution and the degree program.
3. This Transfer Guide does not supplant any other transfer agreement your Colorado community college may have with this 4-year institution.

**GUARANTEES & LIMITATIONS**

1. **Transfer Before Completing the Associate’s Degree:** If the student intends to transfer prior to completing an AA or AS degree, this transfer guide should still be used to identify the courses that can most effectively prepare them for efficiently completing the designated major at the baccalaureate institution to which they are transferring. While not completing the required associate’s degree eliminates the guarantees described here, gtPathways general education courses identified in Section I are guaranteed to transfer and apply to the receiving institution’s gtPathways lower division general education requirements. Students are strongly encouraged to finish course sequences (such as English Comp I & II or Calculus I, II & III) before transferring.

For additional information on CCHE transfer policies and gtPathways guaranteed transfer of general education credit, visit <http://higherred.colorado.gov/Academics/Transfers/Students.html>. To file a transfer-related complaint with the Colorado Department of Higher Education, visit <http://higherred.colorado.gov/Academics/Complaints/default.html>

The chart shown below illustrates the remaining requirements to complete the BS in Automotive Industry Management after transferring to CSU-Pueblo. 60 semester credits are the maximum amount of transfer credit allowed from two-year institutions. Therefore the credits shown below **MUST** be completed at CSU-Pueblo.
